Due to the current pandemic situation, the School had conducted online sessions for Classes 1 – 12 using Google Classroom and Google Meet following the 'Pragyata' Guidelines issued by Board. The School secured 100% Result in the AISSCE and AISSE -2020. 141 students appeared for AISSCE and 224 students appeared for AISSE. The Result speaks about the excellence Chinmaya Vidyalaya strive to reach in the field of academics.

In spite of the challenges posed by the pandemic, School ensured maximum participation of its students in various external competitions and activities organised by CBSE.

Teachers were given intensive in-house training to equip them to the new platform of teaching-learning. Teachers attended online training on various topics conducted by CBSE and Sahodaya. It brought perfection to Online teaching and enabled teachers to meet learning objectives.

Despite the challenging situation we are happy to keep the promise of being 'A School with a difference' where the focus is always on the holistic development of a child.

The School has immense gratitude to all the stakeholders who supported and helped us during this hard time. We are optimistic that all will be back to normalcy soon with the blessings of God .
