 3) Differentiated instruction for outcome based learning - Class room management.  
 4) Lesson planning - Class room management.  
 5) Class room management styles.  
 6) Self awareness - Life skills .

Certificates of COE sessions not received.

##### Chinarts Webinar (2)

\* Promising Role of Webinar in Higher Education.

\* Role of science and Technology in Medicine- Cancer care and Neuro Sciences.

##### Chinmaya Vishwavidyapeedam(1)

\* A Strategy for Managing Stress.

\* 2019 session attended:\*

\* CBSE Capacity Programme on classroom Management .

1.CBP (Classroom Management)

2. Online teacher training session.

\*COE sessions (CBSE)\*

1. Kolb's Experiential Learning.
2. Lesson planning and Classroom Management.
3. Classroom Management and Classroom Styles.
4. Components of Internal Assessment.
5. Bloom's taxonomy in teaching Science.
6. Teaching strategies in Social Science.

\*Chinmaya Vishwadeepth sessions\*

1. Role of Webinars
2. Role of Science and Technology in medicine. ( Certificate received)
3. Re-inventing teaching in Post-Pandemic World ( 5 sessions)

\*Other sessions\*

- .Session on Covid - 19 by Aster Mims.
  - . Leadership skills by Dr. Leela.
  - .Atma Foundation sessions -(Mentoring for teachers). (2 sessions)
  - .Maxmillan Education Session-(Steem up the classroom).
  - 4.Midna Global ( Brain Gain) -Nurturing Leaders.
  - 5.Value added education-education (State syllabus) (5 sessions) complete course
  - 6.Art Integration and Music ( 3 sessions) complete course.(Maxmillan Education)
  - 7.Madhuban webinar- Empowering educators on Teacher's day.
  - 8.NEP Education Policy ( Impact on the Student and the System).
  - 9. Teaching and learning post covid ( Password Publishers).  
SS Dept
  - 1) Know your Classroom Management Style
  - 2. Management as a strategy for effective instruction
  - 3. know your Classroom Management.
- Certificates of COE sessions not received.

Chinarts Webinar (1)

- 4) Role of science and Technology in Medicine- Cancer Care and Neuro Science.
- Chinmaya Vishwavidyapeedam(2)
- 5) Re- inventing Teaching in Post Pandemic world.
  - 6) A Strategy for Managing Stress.

\*2019 session attended:\*

- 1) Art Integration
  - 2) CBSE Capacity Programme on classroom Management .
- CBP sessions
1. Classroom Management
  2. Assessment in secondary classes
  3. Remodelled assessment

CoE online sessions :

1. Experiential learning.
  2. Janusian thinking.
  3. Components of internal assessment.
  4. Integrating values in school education.
  5. Teaching strategies in Social science.
  6. Introduction to leadership.
  7. Understanding stress management.
- Certificates not received.

Webinar :

1. Competency based education.
- Certificate received.

1. Experiential learning
2. Experiential learning LAAR strategy
3. Inspired classroom
4. Remodelled Assessment
5. Instructional management
6. Time Management
7. Blooms Taxonomy
8. Class room Management
9. Conduct management
10. Teaching strategies in social science
11. Effective communication skills
